Cumulative Summary

24. With respect to paragraphs 4 through 23, copies of the relevant registrations (collectively, "Opposers' Registrations") and United States Patent and Trademark Office database print-outs reflecting the current status and title of such registrations are attached as Exhibits A through I.

25. Opposers' Registrations are valid and subsisting, unrevoked and uncanceled, and are *prima facie* evidence of the validity of Opposers' exclusive rights to use the marks in commerce in connection with the goods described in the registrations, and constitute constructive notice of Opposers' ownership of the marks for the goods described in the registrations, as provided by Sections 7(b), 15, and 22 of the Lanham Act, 15 U.S.C. §§ 1057(b), 1065, 1072.

26. Opposers' Registrations constitute a family of trademarks beginning with the term SWISS and followed by a single distinguishing noun, such that they are recognized as identifying Opposers for the goods on which they are used and for which they are registered.

27. Opposers have expended substantial time, effort and financial resources in advertising and promoting their goods under the SWISS ARMY, SWISSGEAR, SWISSLITE, and SWISSCARD marks. As a result of such advertising and promotional activities, these marks have become well-known, the relevant public has come to associate and identify these marks with Opposers, and Opposers derive substantial goodwill from such identification by consumers.

Applicant's Mark

28. Upon information and belief, Applicant is a corporation organized and existing under the laws of Switzerland, having an address at 3 Rue de l'Avenir, Delemont 2800, Switzerland.

29. On November 21, 2014, Applicant filed Trademark Application Serial Number 86/125,793 for the mark SWISSONE under Section 44(e) of the Lanham Act, covering the following goods:

International Class 3: Perfumery; all these products originating from Switzerland

International Class 8: Hand tools and hand-operated implements, namely, cutlery; all these products originating from Switzerland

International Class 9: Sunglasses; these products being reserved for sport; these products being moreover excluded from any use in the field of security and of the protection of the persons; all these products originating from Switzerland

International Class 14: Precious metals and their alloys and goods in precious metals or coated therewith, namely, jewelry and watches; all these products originating from Switzerland

International Class 18: Trunks and traveling bags, backpacks, wallets, umbrellas, walking sticks; all these products originating from Switzerland

International Class 20: Furniture, namely, camping furniture, airbeds; all these products originating from Switzerland

International Class 21: Camping utensils, namely, spatulas, turners and tongs; portable camping containers for food; all the aforesaid products of Swiss origin

International Class 22: Tents; awnings; tarpaulins; sails; sacks and bags made of canvas or cloth for storage; raw fibrous textile materials; all the aforesaid products of Swiss origin

International Class 25: Clothing, namely, gloves, jackets, sweaters, t-shirts, shirts, trousers, shorts, socks, belts, rain wear and ponchos; sports shoes; hats; caps; cowls; scarfs; and headbands; all these products being reserved for sport; these products being moreover excluded from any use in the field of security and of the protection of the persons; all these products originating from Switzerland

30. Opposers hereby oppose registration of Applicant's Mark for those goods specified by Applicant in International Classes 3, 8, 9, 14, 18 and 25 ("Applicant's Goods").

Count I: Likelihood of Confusion

31. Opposer hereby incorporates by reference the allegations in Paragraphs 1 through 30 hereof as if fully set forth herein.

32. Opposers' rights in the SWISS ARMY, SWISSGEAR, SWISSLITE, and SWISSCARD marks are prior to and superior to any rights that Applicant may claim in SWISSONE, in any form or style.

33. Applicant's SWISSONE mark incorporates the dominant component of Opposers' SWISS ARMY, SWISSGEAR, SWISSLITE, and SWISSCARD marks, and thus is similar in sight, sound, meaning, structure, and overall commercial impression such that it would be taken as one of Opposers' family of marks, and unavoidably suggests an association with Opposers.

34. Applicant intends to use the SWISSONE mark on categories of goods that are identical to and coextensive with those on which Opposers use their SWISS ARMY, SWISSGEAR, SWISSLITE, and SWISSCARD marks.

35. Use and registration of Applicant's SWISSONE mark in connection with the specified goods is likely to cause consumer confusion, mistake, or to deceive the public into believing that Applicant's Goods are somehow affiliated or associated with, connected to or sponsored by Opposers, in violation of Section 2(d) of the Lanham Act, 15 U.S.C. § 1052(d).

36. Opposers will be damaged by the registration of Applicant's Mark by reason of the foregoing, and because such registration will support and assist Applicant in causing confusion and in misleading consumers by providing a color of exclusive statutory rights in Applicant in violation and in derogation of Opposers' prior and superior rights in their SWISS ARMY, SWISSGEAR, SWISSLITE, and SWISSCARD marks.

Count II: Mere Descriptiveness

37. Opposers hereby incorporate by reference the allegations in Paragraphs 1 through 36 hereof as if fully set forth herein.

38. The initial syllable, the term SWISS, merely describes a quality, characteristic, function, or feature of Applicant's Goods.

39. The remaining component syllable of Applicant's Mark, ONE, does not change the nature of the mark. The term ONE in this instance is also descriptive and refers to a single unit of something Swiss, otherwise undefined. Thus, the term SWISSONE merely describes either a geographic region or an entity, thing, or person from such region of which there are

legion, and therefore fails to distinguish the goods of Applicant from the goods of others as required by Section 2 of the Lanham Act, 15 U.S.C. § 1052.

40. The SWISSONE Application should be refused registration on the ground that the mark is non-distinctive and merely descriptive under Section 2(e)(1) of the Lanham Act, 15 U.S.C. § 1052(e)(1).

Count III: Primarily Geographically Descriptive

41. Opposers hereby incorporate by reference the allegations of Paragraphs 1 through 40 hereof as if fully set forth herein.

42. Applicant's Mark must be viewed as primarily geographically descriptive of the goods of Applicant. It consists of the term SWISS, an adjective or noun of indisputable geographic connotation, and the term ONE, a numeral or an indefinite pronoun-like word, in this instance without defining antecedent. The term ONE itself contributes nothing to the source-identifying capacity of the mark. Thus, the resulting mark, SWISSONE, must be viewed as primarily geographically descriptive with respect not only to Applicant's Goods, but to any goods that originate from Switzerland.

43. The adjectival form of the name of a geographic location is considered primarily geographic if it is likely to be perceived as such by the purchasing public.

44. Upon information and belief, Applicant is a company located in Switzerland.

45. Upon information and belief, and according to Applicant's identifications of goods, Applicant's Goods "originat[e] from Switzerland."

46. Upon information and belief, the consuming public will likely believe that Applicant's Goods originate in the geographic place identified by the SWISSONE mark, a belief reinforced by the fact that Applicant is domiciled in Switzerland.

47. Applicant's Mark SWISSONE, when used on or in connection with Applicant's Goods, is geographically descriptive as defined in Section 2 of the Federal Trademark Act, 15 U.S.C. §1052(e)(2) and should properly be refused registration.

WHEREFORE, Opposers pray that this Opposition be sustained and that the application for registration for Applicant's SWISSONE mark be in all respects denied.

Respectfully submitted,

SWISS ARMY BRAND LTD.,
WENGER S.A.,

**REQUIREMENTS TO MAINTAIN YOUR FEDERAL
TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE
DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

Requirements in the First Ten Years*

What and When to File:

First Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. *See* 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.

Second Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between the 9th and 10th years after the registration date.*
See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**The United States Patent and Trademark Office (USPTO) will NOT send you any future notice or
reminder of these filing requirements.**

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the USPTO. The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. *See* 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. *See* 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.
